The Transgender Day of Remembrance memorializes those killed due to anti-transgender hatred or prejudice. The first memorial was a candlelight vigil in Boston in November 1999 to honor Rita Hester, murdered in 1998.

Since then, annual memorials on this day have been observed around the world. This vigil will be dedicated to the memories of Carina Holleran, Carol Byers and Ruby Molina among our many brothers and sisters who have fallen to ignorance and intolerance.
